HOW IT WORKS

Take a minute to thank and send gratitude to healthcare professionals working around the clock to keep our city healthy and safe.

1. Grab a card, postcard or piece of paper for the letter - don't forget an envelope!
2. Write your letter or letters, there's no limit to how many you can do!
3. Take a video or picture of your letter encouraging others to join and share on social media using [#writesomethinggood](#)
4. Mail your letter!

LETTER WRITING TIPS

Start with a salutation, such as "Dear Healthcare Provider" or "Dear Healthcare Hero".

Share a personal thank you or gratitude for their work like "Thank you for your service to keep our city healthy" or "We are grateful for your service and hard work".

Please avoid glitter or additional items in the envelope.

Please mail all letters to addresses provided.
